Re: Exclusive Distributorship Agreement Automatic Renewal.

The exclusive distributorship agreement between Velocity Chemicals Ltd. and Roselli Chemicals Inc. expires on September 16, 2015.

According to Section 11, the agreement shall automatically renew for successive two (2) year periods unless either party gives to the other party written notice of termination at least thirty (30) days prior to the end of initial or any renewal term.

Velocity Chemicals is not giving 30 days notice so therefore this agreement will be renewed until September 16, 2017.
